

GRANDE MAISON

PREMIUM EUROPEAN ASH

The Grande Maison Collection from WEWOOD showcases premium European Ash, offering a standout choice for modern interior design. Renowned for its light, creamy-blonde tones and subtle, flowing grain, this collection brings a sense of calm and natural brightness to any space. Its high-grade quality ensures a consistent appearance with elegant grain definition, giving designers the freedom to achieve a premium aesthetic without compromising on budget.

Durable yet beautifully understated, this timber works effortlessly across contemporary, minimalist, and Scandinavian-inspired palettes. For added design flexibility, it is also available in a Herringbone pattern, offering a timeless, architectural look that elevates both residential and commercial interiors.

A truly sophisticated timber, perfect for designers and customers seeking inspiration that blends warmth, texture, and modern style.
