**EUROPEAN ENGINEERED OAK NATURAL COLLECTIONS**

## EUROPEAN ENGINEERED OAK COLLECTIONS\_NATURAL

The European Engineered Oak\_Natural Collection from WEWOOD celebrates timber in its purest form, showcasing the authentic character and individuality of each board. Every piece reveals its own naturally developed grain patterns, featuring a rich variety of elements such as knots of varying sizes, subtle surface checks, and fine cracks between boards. All these distinctive features highlight the unique beauty and natural variation of genuine oak. This range available in 14mm, 15mm and 20mm plank.
